PROFILE INFO

Enthusiastic and motivated web developer with a solid foundation in HTML, CSS, and JavaScript, acquired through self-directed learning and practical projects. I have a passion for creating user-friendly, responsive websites and am eager to leverage my skills in a professional setting. I excel at quickly mastering new technologies and collaborating effectively within teams. Dedicated to ongoing personal development, I am prepared to contribute to innovative web solutions while gaining valuable hands-on experience in the industry.

EXPERIENCE

May 2024- July 2024
Prodigy Info Tech
Web Development Intern

- Collaborated with a team to design and develop web applications, enhancing both functionality and user experience.
